December 27th - 30th, 2018
at Kaivalyadhama, Lonavala

Hello!

We are delighted to announce our 9th International Conference this year, from December 27th - 30th, 2018.

The central theme is *Yoga as Therapy - Scope, Evidence and Evolution*. There would eminent speakers and dignitaries from around the world gracing this occasion. Through multiple academic plenary sessions and panel discussions spread over three days, our endeavour would be to delve deeper into the intricate aspects of understanding yoga as a therapy. There would experts deliberating on the latest developments in research on therapeutic

aspects of yoga, thus disseminating this traditional yet eclectic knowledge through a common platform.

We invite call for papers and poster presentation.

Sub-themes:

The scope of yoga as therapy

- Classical texts
- Traditional forms
- Living traditions
- Emergence of the new field

Evidence of yoga as therapy

- Philosophico-literary references
- Evidences from living traditions
- Spiritual culmination of yoga as therapy
- Scientific research

Evolution of yoga as therapy

- Philosophico-Literary Research
- Evolution in Scientific Research
- Yoga as therapy in public health
- Policies
