About the Course

This course focuses on equipping participants with the fundamentals of English required for both good Listening and Speaking Skills, and Reading and Writing. This course can help in better communication among peer group members and at work place.

With the emergence of the global market-place, the English language has found its place as the global medium of communication. Most of us would like to believe that fluency in English is the capability to read and write, but listening and speaking are also very important. Far too often this is neglected in the learning of a language.

Course Objectives:

- To improve the four skills of Listening, Speaking, Reading, and Writing
- To give a base for necessary phonetics, vast vocabulary and good grammar
- To use the language in specific situations
- To improve learners' comprehension, interaction and fluency
- To equip the learners with strategies to improve their communication skills
- To ensure that the training is useful to the learners to succeed in the real world
