ABOUT UNIVERSITY OF MUMBAI

The University of Mumbai is one of the oldest and premier Universities in India. It was established in 1857 consequent upon "Wood's Education Dispatch" and it is one amongst the first three Universities. The University was accorded 5 star status in 2001 'A' grade status in April 2012 by The NAAC. It has been granted University with UPE status by UGC & PURSE Scheme by DST.

ABOUT THE DEPARTMENT OF STATISTICS

Department of Statistics was established in September, 1948. It is one of the first few Departments of Statistics that started in India for postgraduate studies and research in Statistics. Department offers postgraduate course leading to the Master of Science (M.Sc.) degree, by papers, awarded by the University of Mumbai. In addition to the master's programme department run successfully M.Phil., Ph.D. degree programmes and two post graduate diploma courses, Post Graduate Diploma in Actuarial science (PGDAS) and Post Graduate Diploma in Applied Statistics with Software (PGDASS). Department has excellent Computing facility. Currently department is having following Statistical Software,

- Statistical Application Software (SAS)
- Statistical Package for Social Sciences (SPSS)
- Minitab
- R-Language

The Department has a long cherished history of having produced eminent academicians and successful statisticians in the Industry. Since 2000, Department has started the placement activity and right from the beginning of placement committee, every year almost all successful students get placed in various companies.

ABOUT THE SEMINAR

Objective of the seminar is to make aware research students of Statistics about new developments in the area of Statistics. This seminar will primarily cover new developments in Sampling Techniques, Reliability Theory, Survival Analysis, Design of Experiments, Regression Analysis, Time Series analysis and Operation Research etc. Emphasis will be given to introduction of new methods in above mentioned areas for research.

About Eligibility of Participants:

Research students and Faculty members from Universities/Colleges/Institutes from India who are doing research or interested in doing research in the field of Statistics. Participants must have Post-graduate degree in Statistics from any recognized University. Preference will be given to the young research students.
