Dear Sir,

The Department of Law, University of Mumbai conducts Post Graduate Diploma in Intellectual Property Rights (PGDIPR) Course. As a part of Practical Examination, the students of PGDIPR Course have to visit Intellectual Property Office (Patents, Trademarks, Copyrights, Designs etc.) and observe the working of the Intellectual Property Office.

We will be highly obliged if you could allow a batch of approx. 35 students to visit your office so as to understand the working of the Intellectual Property Office. Ms. Preeti Brahmania, Visiting Faculty and Practical In-charge of PGDIPR Course, would be accompanying the students for the visit to Intellectual Property Office at Mumbai as a part of practical training 2015-2016.

Thanking you,

Yours faithfully,
