Notice – End Semester Exams Nov. - Dec. 2017

The End Semester Assessment (ESA) theory final exams and re-exams for semesters III, II and IV of the MSc Physics course of the Department of Physics (Auton.) will be held as per the following schedule from Thursday, November 09 2017 onward. Semester I end-semester exams will be announced later to be held some time in January 2018.

Students appearing for any of the semester end exams are requested to pay their fees between Oct 03 and Oct 12, 2017 before the Divali vacation break, without which they will not be allowed to sit for the papers. For this please contact Ms. Usha in the department office. Also please note that this time those candidates appearing for continuous/internal assessment (CA) need to fill out a second (blue) form provided by Ms. Usha.

Students are requested to point out any clashes they notice in their exam schedule latest by Oct 12 2017 through a written application given to Mr. Harjoram in the department office, so that changes can still be made and a fresh schedule notice put up later.

Practical exams for Semester III will be conducted in the week of Nov 27 2017.

Project vivas for Semester III are scheduled for Dec 04-07 2017.

Detailed student-specific schedules for both will be announced shortly.
