

## **Item for Academic Council**

**Preamble:** Alumni cell has to formed as resolved in IQAC meeting in order to coordinate activities related to alumina and provide various services like placements to students alumina. A data base will be generated that will have the details of all students registered with all University departments and the Institute of Distance and Open learning. This data base will be used to shortlisted students as per the skill sets required by various employers with the help of aptitude tests and other information. These shortlisted candidates will be sent for the campus interviews or placements. Financial resources are required for this activity which are planned to be generated from a one time fee of Rs.100 to be collected from students.

**Item:**

It is proposed that a one time Alumni cell fee of Rupees 100 shall be charged for every student registering in the various university departments/Conducted Colleges and the institute of Open and Distance Learning (IDOL). For students seeking fresh admission, this fee be charged at the point of admission. For students who have already taken admission, the fee should be charged when they are paying fees for the last semester.

The item is being placed before the Academic Council for its approval.
