

**QP CODE 69198**

Model answer sheet F.Y.B.A.

Q 1 A) Linguistic determination,

Bilingual advantage,  
culture and color.

B) Twin and adoption studies,

Down syndrome, heritability,  
Early Environmental influences,  
Schooling and intelligence.

C) Concept,

Cognition,  
algorithm,  
heuristics,  
Problem-solving,  
Decision making,

Q 2. A) Physiological needs,

Safety needs,  
Belongingness and love needs,  
Esteem needs,  
Self-actualization needs,  
self-transcendence needs.

B) Concept of hunger-physiological factor,

Body chemistry-glucose, set point.

C) Two factor theory-

Physiological arousal and  
cognitive arousal,  
spillover effect.

Q 3. A) Id, Ego, Super ego,

Developmental stages,  
Defense mechanisms.

B) Bandura-reciprocal determinism.

C) Concept of trait Gordon Allport, Myers -briggs Type Indicator( MBTI), Introverted , Extraverted.

Q 4.

C) correlation coefficient, positive and negative correlation.

Q 5.

A) Assessing intelligence, Galton, Binet, Terman modern tests of mental abilities, WAIS

B) Walter Cannon and Philip Bard, physiological responses, subjective experience.

C) Conscientiousness, Agreeableness, Neuroticism, Openness, extraversion

Q.5) 71, 70, 64, 64, 67, 66, 71, 68, 70, 64  
Q) 77, 77, 70, 66, 66, 70, 72, 75, 79, 87  
75, 76, 78, 66, 64, 71, 68, 68, 72, 75.
