Dear Sir/ Madam

Greetings from the British Council!

As you are aware the British Council administers the IELTS (the International English Language Testing System) which is the world's most popular English language test. In most countries where English is the main language, one needs evidence of their English language skills to apply for jobs and university courses. IELTS is accepted by more than 10,000 organisations in over 140 countries. Those organisations include governments, academic institutions and employers with 3,000 in the USA alone.

We are glad to inform you that the British Council will be conducting seminars for any test takers wanting to improve their understanding of the IELTS at Mumbai and Pune this January 2020. The seminar is **FREE** of cost and **ONLY PRE-REGISTERED** participants will be allowed to attend. We request you to inform your students about this opportunity.

More details on the seminars schedule and registration process is available on:
