Department of Geography
Vidyanagari, Kalina, Santacruz (E),
Mumbai - 400098.

Organizer: Dr. Sanjukta Sattar
Associate Professor and Head

Convener: Dr. Deepali Gadkari

About the Workshop

The Department of Geography, University of Mumbai Campus, Santacruz (E), Mumbai is organizing a 5-day Workshop on the 'Geoinformatics for Earth Sciences and Management of Natural Resources'. The Workshop aims at imparting knowledge and hand-on experience of handling spatial data related to the theme. Arc GIS software will be used as GIS platform for hand-on exercises. Applications are invited from those who work in the following fields - **Earth Sciences, Water resources, Coastal studies, Wild life conservation and forestry, Agriculture and Soil sciences. Academicians, research scholars, government officials and GIS professionals** can participate in the Workshop. The participants will learn GIS tools and techniques to handle and analyze spatial data. Eminent speakers from prime institutions (**IIT, Roorkee; Wild Life Institute of India, Dehradun; Space Application Center, Ahmadabad; ESRI, Mumbai and other**) are invited to impart the knowledge in the respective subjects.

Important Dates:

Workshop Dates: 3-7 March, 2020

The status of selection will be communicated: **20th February, 2020.**

*The admission to the workshop will be given on **first-come-first served basis.** Your early response will confirm your participation in the workshop. Registration will be closed after receiving required number of applications.*

Limited seats are available for outstation participants.
