

University of Mumbai
Department of Geography
Lecture-Demonstration Sessions on
'Surveying with Total Station'

The Department of Geography, University of Mumbai, Kalina, Santacruz (E), Mumbai is organizing lecture-demonstration sessions on using Total Station (surveying instrument) for field surveys. The sessions aim at imparting knowledge and hand-on experience about how the instrument can be used for accurate and precise topographic surveys which play an important role in mapping areas on a high resolution. The faculty members of the Department of Geography, University of Mumbai and other Geography Departments of colleges and the Ph.D. research scholars in the Department can attend the sessions. The participants will learn basics of surveying and hands-on Total Station.
