

**Schedule of Ph.D. Vivas by Open Defence between 9<sup>th</sup> March, 2020 to 20<sup>th</sup> March, 2020**  
**Venue – Nanoscience Nanotechnology Bldg., Kalina Campus, University of Mumbai**

Date	Time	Subject	Research Center & Guide	Name of Student	Topic of Research
16.03.2020	11.30 a.m.	Microbiology	ICAR – Central Inst. for Research on Cotton Technology / Dr. N. Vigneshwaran	Ms. Bagade Priyanka Anil	Immobilization of Antimicrobial Peptides from Microorganisms on Nanocellulose for Potential use in Active Fruits and Vegetable Packing
18.03.2020	11.30 a.m.	Biotechnology	Vaze Kelkar College / Dr. B. B. Sharma	Ms. Lahare Priyanka Waman Nanda	Authentication and Study of Antioxidant, Antimicrobial, Anticancer Properties of Unexplored Endemic Species of CURCUMA
18.03.2020	12.30 p.m.	Computer Engg.	Ramrao Adik Institute of Technology / Dr. Subhash K. Shinde	Ms. Mane Vanita Manikrao	A Novel Approach for Detecting Copy-Move Forgery in Digital Images
19.03.2020	11.30 a.m.	Biochemistry	Tata Memorial Centre / Dr. Nitin A. Inamdar	Shri. Kamble Narendra Dhondiram Yashodabai	The Study of Prognostic Factors in Multiple Myeloma
19.03.2020	12.30 p.m.	Biochemistry	Institute of Science / Dr. Geeta Ibrahim	Ms. Gagare Snehal Bhausaheb	Phytochemical Screening and Bioactive Potential of Sesuvium Portulacastrum

  
 Superintendent, Thesis Section
