ABOUT THE THANE SUB CAMPUS

University of Mumbai, Thane Sub Campus is an institute that stands on the foundation of students distinct from the crowd, learning to groom their skills and being trained to their highest potential to meet the requirements of the dynamic corporate world.

We offer two Five year Integrated Courses – Bachelors in Management Studies - Masters in Business Administration (BMS-MBA) and Bachelors in Business Administration- Legum Baccalaureus (BBA-LLB (Hons.)).

The campus commenced in the year 2014 intending to give both the courses a discrete approach and nurture students resourcefully, preparing them for the competitive industrial environment. It is spread across 6 acres of land consisting of amenities like tech-savvy classrooms, library, computer center and a digital seminar hall etc.

The syllabus is designed such that it makes the study environment on this campus exclusive and versatile. The structure of this course allows MBA students to opt for Major and Minor specialization (Finance, Marketing, Human Resources and International Business) in their first year of MBA itself, that helps them adapt to their subjects proficiently.

Apart from the conventional advances of the courses, we go beyond the theoretical study of subjects, including Presentation Skills, Disaster Management, Business ethics, Corporate Leadership, Emotional Intelligence, Business Etiquette, Public Relations in the course structure.

The in-house faculty and guest faculty – researchers, academicians and industry practitioners who are specialized in their respective fields – conduct lectures and encourage interactive sessions among students.

Students on our campus have interned with various established firms and companies, acquiring practical knowledge of their corresponding courses and represented the University in diverse events like Model United Nations, Youth festivals, various cultural and sport events, moot courts etc., displaying their skills outside the purview of mere academics.

DIRECTOR'S MESSAGE

The genesis of University of Mumbai, Thane Sub Campus provides an access to students enabling them to groom their personality thereby preparing them to face the dynamic challenging world. We aim to meet the expectations of the society, by nurturing professionals and scholars of high calibre to contribute immensely to the society.

The sprawling campus at nature's care is set in a beautiful landscape; it brings in positive ideas, cultural pluralism by inculcating prudence, efficiency, creativity and compassion to work for the upliftment of the society. We attempt to kindle a sense of teamwork, honesty, integrity, commitment towards humane values.

Our outreach initiatives will bridge the gap and enable the campus to be an ardent centre of knowledge and global excellence. The various facilities and resources offered at the campus provide a conducive environment for our faculty, students and staff to augment their potential and be empowered in the society.

We seek to in still in our students a passion for learning that will bring the knowledge and understanding required for a positive contribution to the society. The courses that are offered at the campus are well aligned with the need of the society and is systematically delivered through technology enabled sessions, thus making the course versatile and exclusive. The campus spearheads variety of training sessions and workshops beyond the curriculum catering industry preparedness. The students have a rich experience by participating in wide range of events thus harnessing their potentials and displaying their innate abilities outside the purview of mere academics.

AUGUST 20, 2019 BLOOD DONATION CAMP

“EVERYONE MAY BECOME A SAVIOR”

A blood donation camp was organized by University of Mumbai- Thane Sub Campus in collaboration with Mahanarayan Thakur Foundation and Trauma Care Hospital on 20th August, 2019. The Camp was inaugurated by I/c Director Dr. Sunita Magre and Programme Coordinator Ms.RenuJogdand. The event was skilfully headed by the students of first year MBA Mr.JayantArora and Mr.HarshalPathak.

There was an overwhelming response from students and professors who came forward to do their part in saving lives. A total of 41 units were collected in the camp. The representatives from the hospital were extremely professional and dealt with the donors with utmost care. A Certificate of appreciation, donation card, and refreshment was given to each donor as a token of gratitude.

Blood donation is a major concern to the society since there is a shortage of active blood donors to meet the increased blood demand. There are various myths swarming around this selfless act, and the representatives from Mahanarayan Foundation were sure to bust them and embolden the other students to step up and donate. This drive saw people who hadn't even registered come forward and donate their blood. All in all it was a success and the student body of MUTC would like to ask you to spare fifteen minutes of your time and save a life.

It was also an occasion to celebrate and appreciate the richness and diversity of India's cultural heritage. The support and confidence of patrons of University of Mumbai and Mahatma Education Society was a great inspiration to us in conducting this programme.

ABOUT FELIZIA: FELIZIA is an Inter-collegiate event providing an array of activities enabling student participation to the best of their ability. FELIZIA is an attempt to bring together the diverse culture of India. Unity in Diversity our motto will be a great avenue for students to showcase their talents and unique abilities. FELIZIA is an opportunity to meet students from disciplines and institutions and hone their interpersonal skills. The events grouped in to Group A and Group B events included a wide variety of activities which provided a platform for their creative talents.

REGISTRATION: The registration fee per participant was Rs.100/-. The students could participate in any one event from Group A and one from Group B. The participant registration forms were mailed prior to the day of the event. The participants also submitted the filled registration forms at the registration counter on the day of the programme. The participants were provided with token numbers to be used throughout the events. There were 169 participants from 29 colleges.

The events schedule was as follows:

Post-It: The Poster competition was on the theme 'Multicultural India'. An Individual or a Group prepared the posters. A group poster included not more than 3 students per group. Posters were to be prepared at home and handed over at the Registration desk on the day of the event. Regular sized chart papers were used. The Posters gave a colorful and creative portrayal of the co-existence of diverse cultures in India.

The **Group A Events** included the following:

Ad Mad Show: In this event the students presented a two-minute advertisement consisting of maximum 4 students. The students used various props for the presentation. Through the Ad Mad show the participants highlighted the importance of a unified society.

Voice your views: In Voice Your Views students presented an Extempore Elocution wherein they could speak in any of the following languages- in English, Hindi, Marathi. The topic was given 5 minutes prior and 5 minutes were given for presentation. The students presented their thoughts on multicultural India in a very articulate and concise manner.

Dance Mania: The Group Dance performance consisted of maximum 6 students in a group. The time allotted for dance was 3 minutes. The participants brought the song/music in a pen drive. The group dances offered a visual treat as they presented through music and rhythm the richness of India's cultural diversity.

Group B Events

Mehendi: In the Mehendi competition the students had to create one full hand Mehendi design back and front. The time allotted was 30 minutes.

Nail Art: Nail Art was designed on both hands. The time allotted for the event was 30 minutes. The participant had to make arrangements for display of design.

Eye Mask: For eye mask making competition, eye masks were provided to the participants. The students brought the items for decoration required for the mask. The time allotted for the event was 30 minutes.

Through Mehendi, Nail Art and Eye Mask the participants gave a very imaginative and aesthetic presentation of the cultural diversity of India. It helped in reinforcing the thought that there is so much of uniqueness and beauty in each tradition and culture of our nation. And the strength of the nation lies in its diversity.
