ICCAA

At times like this when unemployment is at its peak, unlocking the door of opportunities can help in the long run.

Keeping this in mind, **ICCAA** has taken up the initiative in collaboration with the **University of Mumbai, Department of Commerce** and **MCED** to help young aspirants choose their path to success by being a part of the **'Entrepreneurship Development Program'**.

A webinar is organized to give an overview of EDP. Also, the event would further be enhanced by the launch of ICCAA's app **'Workforcer'** and Mr. Bharat Daga's new book **'It starts with you'**
