Ad-hoc BOS in Hospitality Studies meeting held on 29th May, 2020

The Board of studies therefore made the following suggestions and recommendations **only applicable for the academic year 2020-2021.**

- The Hands-on-Internship for students be replaced with a Research/ Project report based on the Hospitality Industry or its allied areas, which the students will prepare individually during that semester.
- The students will be placed under the guidance of Mentor Teachers during this tenure, who will coordinate and track the progress of each student during this tenure. This is to be done using a Digital Platform.
- The evaluation of this project will be done after the online submission of the Research/Project (PDF) to the college followed by an online Viva which will be held jointly by the Faculty and an subject expert from the Hospitality Industry.
- This will ensure learning for the student and could contribute to the Industry which can utilize the findings to better the existing practices.
- Given the health and safety norms, the Students will be safe working online, in a secured environment.
- Guidelines for the project and marking pattern is being worked on and will be given shortly.
