University of Mumbai

No. Th./ICC/2021-22/24   14th May, 2021

Circular:-

      The Heads / Directors / Co-ordinators / Principals of University Departments / Sub-Campuses / Institutes / Colleges are hereby informed that the Department of ICT, University of Mumbai has developed and launched a portal for PhD process. The candidates can apply through this portal for PhD admission to various Departments of University. The Departments have to use the same login of UG / PG portal to access this portal. The Departments have to update the following features in their login:-

1) Fixing Application start and end date

2) Download the application details

3) Fixing the Fee structure

4) Fixing Category/Reservation information

5) Select the candidates for admission after interview

6) View Reports on the admission status of candidates.

The portal will be under continuous development for further procedures of PhD like course work marks entry, topic approval, HoD login, Guide Login, RAPC login, Authorities Login, Referee Login etc

The portal will be available from 15th May, 2021 10:00 am onwards. The portal URL is : uomphd.mu.ac.in
On 15th May, 2021 at 2:00 pm there will be a demonstration of this portal by team of Department of ICT and the Heads are therefore informed to kindly direct the concerned staff to attend the demo. The link will be shared on email by Department of ICT to the head of the departments.

For any further queries you can kindly contact Dr Srivaramangai of Department of ICT , University of Mumbai.

Kindly note that this facility is presently available only for University Departments / Sub-Campuses / Institutes / Colleges & presently NOT available for University Affiliated Colleges / Institutes.
