About The Department of Commerce, University of Mumbai

The Department of Commerce was established on 1st December 1980. The Department is the most active one with tremendous potential for growth. At present, the Department admits students for the M.Com. and PhD. degrees. A wide range of industrial, banking, finance and business management topics are covered under PhD. programme. The Department offers specialization in areas most relevant to the city of Mumbai, the Financial Capital of the country viz. Business Management and Banking Finance.

About MilesOne

MilesOne is an experiential learning platform that helps students learn complex concepts using simple, easy-to-understand methods. At MilesOne, we work towards bridging the gap between academia and the industry. We aim to complement the education ecosystem with the unique MilesOne pedagogy that revolves around applied, experiential and holistic learning. We transform students' learning experience and enable them to become efficient, agile and industry-ready.

Context of the Seminar

NEP 2020 is the vision paper for India's new educational philosophy. It aims to reform India's educational system. At the foundation of this policy is our nation's rich cultural heritage. The policy takes support and nourishment from our rich epistemic and scholarly traditions to chart the route to an enlightened future.

The NEP 2020 emphasises - The usage of technology, innovation, critical and creative thinking.

Key Take Aways

- This seminar is an attempt to share and discuss with the key stakeholders of the institutions the applicability of experiential and applied learning to various curriculums, especially B.Com and BBA by outlining the vision of a new education system in India.
- MilesOne, a tech initiative platform from Miles Education aims to achieve this goal by making it inquiry-driven, flexible and enjoyable.
- One of the important takeaways for the participants is that they can empanel their College name with MilesOne offering absolutely FREE of cost for the lifetime. This would immensely benefit their students by helping them understand the practical aspects of the subjects which they study during their graduation.

Who Should Attend?

Principals, Vice Principals of Commerce & Management Colleges

Deans of Commerce & Management

HODs of Commerce & Management

Heads of IQAC Cell
