One Day Training on SPSS Statistics Notification

The Western Regional Center, Indian Council Social Science Research has set up a SPSS Data Analysis Center at WRC/ICSSR Computer Center in June 2022. In view of the optimum utilization of the 'SPSS Data Analysis Center' facility by the research scholars and the faculty members in the Western Region, the WRC/ICSSR is organizing a **one day online training on SPSS Statistics** in collaboration with SPSS on 12th August 2022.

Objectives of the Online Training

The aim of this one day online training program is to build capacity in using the data analysis software SPSS so that the faculty and research students can build capacity of software based data analysis for enhancing the output of their research. The other important objective is to educate the participants on the use of statistical techniques in data analysis in the field of social sciences and to provide practical/hands-on experience with introduction of the SPSS software knowledge for data Analysis.

Resource Persons

SPSS is providing the resource persons for the one day online training

Registration

Faculty and Research Students interested in attending the one day online training can register through following link:
