Introduction

Traditionally University of Mumbai is known as active, working university which has given guidance to the society at all levels. The graduates, researchers, studious persons of University of Mumbai have contributed to great extent to the development, modernization of not only Mumbai – Maharashtra but also of entire nation in memorable manner.

In future, scientific research and development shall form basis of education system. Hence it will be necessary to make more and more investments in research and infrastructure at university level. The formula for success of this new creature shall be thinking of new concept along with generation of knowledge and spreading of knowledge. The consideration of growing skill and its spreading is also essential in near future. The university shall pay more attention to ensure that more and more basic research takes place and how to use the research.

The true identity of University of Mumbai is playing its role of increasing knowledge and future view. We are trying to prove this identity of the university through this report.

Dr. Sanjay Deshmukh
Vice Chancellor

University of Mumbai

EDITORIAL

We are pleased to submit this report to you.

University of Mumbai is the source of motivation and ray of hope for crores of young people who are having tremendous intellectual abilities, attitude of conducting research and quality. The dignity, status and quality of the university depend entirely on untiring efforts of students.

The university has entered into memorandum of understanding with many universities in order to develop the contacts of the University of Mumbai with highly developed and developing nations, so that our students should be able to take the benefits of those universities, their curricular, research etc. The university also pays attention to connect the rural and urban students with knowledge in the world. It will be appreciated that the university is getting new dimension and work commensurate with new age is taking place.

The university has achieved great success under solid and visionary guidance of Hon'ble Vice Chancellor, Hon'ble Registrar and other related Officers.

We extend our heart full thanks to all constituents in the compilations of this annual report. We give best wishes for further educational development to all persons.

OTHER EDUCATIONAL INSTITUTIONS

WESTERN REGIONAL INSTRUMENTATION CENTRE, MUMBAI

I/c Director:-Dr. B.L. Jadhav

Western Regional Instrumentation Centre (WRIC), Mumbai is an autonomous institute and was established in the year 1977 as a part of UGC's comprehensive programme to promote instrumentation. It is fully funded by the University Grants Commission (UGC). WRIC has been functioning as a Registered Society with a Governing Council of which the Vice-Chancellor of the University of Mumbai is the ex-officio chairperson and which is now been recognized as a National Facility Centre in Instrumentation by UGC.

The major responsibilities of WRIC are to conduct various activities in the field of instrumentation in association with various colleges, universities, national research institutes and industries in the country.

In-House Projects undertaken and completed at TSD during 2016-17

- **Instruments designed and developed in-house at WRIC**

1. Portable calibrator for pH meter, conductivity meter using mobile charger as a power source
2. Design and development of Control card for DC Motor speed control with thermal protection
3. Design of temperature calibrator source (Thermocouples) for the calibration Temperature controller using mobile charger as a power source

- **Instruments designed and developed in-house at WRIC for Training programmes**

1. Micro controller base Timer for AC Energy Regulator using Mobile charger as a power source.
2. Mille volt Source /Thermocouple and RTD based Temperature Controlled Simulator

- **Instruments designed and developed by students as a part of their curriculum at WRIC**

1. Current source (0-200ma) for the study of spectral response of RGB LEDs
2. Digital Temperature calibrator for PID and Digital Temperature controller using PIC microcontroller
3. A novel approach for water conservation in agriculture using wireless sensor network
4. Design & Development of Laoratory model of Multiple parameter calibrator (ph, conductivity, Mv, thermocouple RTD, Thermistor) using PIC Microcontroller for in-house calibration.

Instruments Developed

1. Arduion based home automation system using blue tooth module.
2. Arduino based home automation system using GSM module.
3. Arduino based Solar tracker.
4. Target board for Atmega32
5. AVR based stepper motor direction controlled for solar tracker.

Microcontroller Development

Kit purchased for Training Programme :

1. Atmega32 development board
2. Arduino
3. Accessories for Atmega32 & ARDUINO.

Documentation of Training Programme :

Theory :

Compilation of course material and laboratory manual for training programme on “Embedded System Design with AVR and Arduino:

1. Embedded C, AVR kit
2. Introduction to Arduino

Practicals of ATMEGA32 :

1. LED blink from port pin
2. To display message on LCD
3. 0 to 9 counter on Seven segment display
4. To recognize & display pressed key on LCD
5. To convert and display analog value to digital
6. UART

Practicals of ARDUINO :

1. LED blink from port pin
2. To display message on LCD
3. 0 to 9 counter on Seven segment display
4. ADC
5. UART
6. To recognize & display pressed key on LCD.

Projects to be assigned to Participants (to be performed on ATMEGA32 & ARDUINO) :

1. DC voltmeter
2. Fan control
3. Stepper motor

Training Programmes

WRIC conducted training programmes / workshops at different colleges, university departments and institutes. This has resulted into a strong interaction between WRIC and various academic institutes and industries that has benefited all.

During the training programmes we repaired electronic laboratory, electrical, analytical and optical (microscopes & others) instruments were repaired. The details are as follows:

Sr. No.	Title	Venue	Target Audience	Duration	No. of Participant	Instrument s Repaired
1.	Workshop on Hands on Experience of Analytical Instruments	WRIC, Mumbai	Students of B.Sc Bio technology	17 th – 23 rd May 2016	15	0

Test and Calibration of Instruments

WRIC has various types of calibration standard equipment which is used for calibration of a variety of instruments from educational institutions, Government Organizations and Industries. For the report period, out of 258 instruments received for calibration, 222 instruments were calibrated, 11 tested and 25 instruments were returned to the users as they were beyond repairs.

Site Calibration of Special Instruments

We have calibrated following special types of instruments of M/s. Venus Safety and Health Pvt. Ltd. at site. These machines are used for quality testing of respirator filters.

1. Breathing resistance test equipment
2. Mechanical strength testing apparatus
3. Apparatus for testing of Respirator filter for penetration level
4. Inward Leakage test machine
5. Flammability test apparatus
6. Apparatus for measurement of CO2 contain

Repairs and Maintenance of Instruments

WRIC offers its expertise in repairing and servicing of laboratory electronic, electrical, analytical and optical instruments to various colleges, institutions and universities in the country. During the report period, out of 173 instruments received for repair, 143 instruments were repaired. on Following university departments / colleges / institutions / industries utilized our repair & maintenance services :

Departments of University of Mumbai	Colleges affiliated to University of Mumbai
• Biophysics Department • Chemistry Department • Life Science Department • Garware Institute of Career Education & Development	• S.H. Kelkar College, Devgad • Anandibai College, Ratnagiri • Somani College • R.H. Jhujhunwala College • MET Bhujbal College • K.J. Somaiya College • R.D. National College

Maintenance Camps :

WRIC organizes maintenance camps at K.J. Somaiya College. Aim of this activity is to repair & maintain instruments at an affordable cost. The details are as under :

Sr. No.	Name of the College	University	Type of Instruments Repaired	Duration	Instruments Repaired
1	K.J. Somaiya College	Mumbai	Electronics	December 2016	45
Total					45

Optical and Glass-Blowing

WRIC offers its expertise in fabrication work and repairing / servicing of laboratory microscopes, other optical instruments of departments of University of Mumbai & colleges. We repair these instruments in the Centre as well as at Training Programmes & Maintenance Camps. The details are as follows:

Sr. No.	Departments of University of Mumbai	Type of Work	Quantity
1.	Dr. A. V. Karnik, Dept. of Chemistry	Fabrication of chromatography column	4
2.	The Head, Dept. of Chemistry	Quartz tube crack	1
3.	Dr. Rohini, Dept. of Chemistry	Glass cutting	10
4.	Milind Thombre, Dept. of Chemistry	Fabrication of condensor	1
5.	Prof. A.K. Shrivastav, Dept. of Nanoscience	Fusing of beakers	3
6.	The Head, Dept. of Chemistry	Fabrication of heater assembly	2
7.	The Head, Dept. of Chemistry	Fabrication of glass apparatus	4
		Total :	25

Workshop Activities

In the Mechanical Workshop we have designed & fabricated various mechanical components required for training programmes, student's projects, R&D Division, Maintenance Section, Calibration Section & other activities of the Centre.

Job Description:

1. To make Box for home automation system with Bluetooth model.
2. To make Box for Green house parameter.
3. Mechanical fitting of solar panel on stepper motor.
4. To make Box for home automation system using GSM.
5. Fabrication of colorimeter stand (No 10)
6. Mechanical fitting & Fabrication of aluminum stand for servomotor with solar panel.
7. Developed portable chamber with stand for Xenon lamp.
8. Remove of bend in syringe plunger.

Library and Information Services

The total number of books in the library is now 4538. In addition to WRIC staff, the Library facilities were used by project students and others.

Internet connectivity been setup and is being used by staff members and other users. This gives access to many full-text e-journals, other related documents, and need-based information about solar panel, solar cell, photovoltaics, solar simulator, electronic components, instruments, circuits, etc.

Membership / Nomination / Project Viva Examiner

G.D. Patil -

1. Project Viva Examiner for Diploma students of P.V. Polytechnic, SNDT Women's University, Mumbai VIIIth Sem.

K.K. Mahajan -

1. Acted as one of the judges at Vidyaalankar Institute of Technology, Mumbai for projects from all over India, Polytechnics & Engineering Colleges (04.04.2016 & 05.04.2016).
2. Conducted the Projects Examination of B.E. final year as one of the expert from industry/research institute at SIES College of Engineering, Navi Mumbai (18.04.2016).
3. Acted as one of the Examiner of B.E. Sem. VIII project examination at MCT's Rajiv Gandhi College of Engineering, Mumbai under University of Mumbai (29.04.2016).
4. Acted as one of the judges at Rajiv Gandhi College of Engg. & Technology, Versova, Mumbai for projects from all over India, Polytechnics & Engineering Colleges.

Co-ordinated & delivered Lectures in the Training Programmes as follows:

K.K. Mahajan -

1. Co-ordinated & delivered lectures on Electronic components, Signal Generators and Power Supplies in the training program organized by WRIC at K J Somaiya Institute of engineering and Information Technology at Sion, Mumbai, for lab technicians/Teachers in engineering college on: A National Level Workshop on "Operation & Maintenance of Electronic Laboratory Equipments" (27.06.2016 – 02.07.2016)
2. Co-ordinated & delivered lectures on Electronic components and Electrical laboratory Instruments in training program organized by WRIC at Saint Thomas

College of Arts, Science & Commerce, Bhilai, Madhya Pradesh, under University of Chattisgarh, for lab technicians/Teachers on: A National Level Workshop on “Operation & Maintenance of Analytical laboratory Equipments” (01.08.2016 – 06.08.2016)

3. Co-ordinated & delivered lectures on Electronic components and Electrical laboratory Instruments in training program organized by WRIC at R. N. UGC HUMAN RESOURCE DEVELOPMENT CENTRE

Director:-Dr. K. SHANTHI

UGC Human Resource Development Centre, University of Mumbai was established in the year 1987 itself as one of the first few HRDCs in the country. From 1987 till date it has been a long journey wherein we have crossed several milestones overcoming multifarious challenges to become an institution renowned for the quality of its training programmes. This was also acknowledged during the NAAC review in 2012 wherein we have been ranked 7th amongst 66 HRDCs in the country and the first amongst the HRDCs of the Western States of Maharashtra, Goa and Gujarat. This has been also recognized by MHRD as we are the only HRDC in Maharashtra to be selected for conducting programmes under RUSA. This accolade has increased our motivation to serve the teaching community better and through them our students who we feel are our primary stakeholders.

In, the year 2016-2017, our UGC Human Resource Development Centre, University of Mumbai, has conducted 2 Orientation Programmes, 3 Refresher courses sponsored by UGC. Our UGC HRDC along with UGC courses also conducted courses sponsored by RUSA. Thus under RUSA we conducted 5 Orientation Programmes, 12 Refresher Courses and 7 Short Term Courses. We also conducted one Regional Conference of the Vice-Chancellors of the Central Universities and one Regional Conference of awareness of National Academic Depository (NAD) benefiting 1077 teachers.

The Refresher courses in Information and Communication Technology (Interdisciplinary), Chemical Sciences and Research Methodology in Social Sciences (Interdisciplinary) were conducted under UGC, while Refresher courses conducted under RUSA were Social Sciences (Interdisciplinary), Accountancy, Information and Communication Technology, Mathematics and Statistics, Human Rights, Biological Sciences, E-Commerce & E-Business, English, Economics, Biotechnology, English, Indian and Foreign Languages, Business Studies.

The short term courses conducted under RUSA were Contemporary strategies for teaching and evaluation, Practise of yoga for a healthy mind and body, Understanding Learner Dynamics, E-Content Development, Soft Skills, Renewable Energy and its applications, Gender and Culture during this year. These were conducted on popular demand and the feedbacks for all our courses were very positive

However, all these achievements would not have been possible but for the unstinted support from the authorities of the University, State Government, UGC and MHRD, dedicated coordinators and resource persons of high caliber.

Our Vision is:

“To transform the teachers into inspirational role models for the young and impressionable students, who in turn will create a just and equitable society that will be progressive and secular.”

DEPARTMENT OF LIFELONG LEARNING AND EXTENSION

REPORT OF THE ACTIVITIES OF THE DEPARTMENT:-

INTRODUCTION:-

The Department of Lifelong Learning and Extension (DLLE) was established on October 12, 1978 and has been recognized as a Statutory Department and one of the authority of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the Universities and the community. It is functioning under the Board for Lifelong Learning and Extension to create skilled and learned human power through its various degree level programmes and skills development programmes. The Board of Lifelong Learning and Extension has the duty to create synergy at policy and operative level between various teaching, research and development institutions and various regional and national bodies and governmental agencies in the domain of lifelong learning, value education and life skills for senior citizens apart from other duties given under the Act.

Extension Education, the third dimension of the University system, is a two-way process which visualized mutual sharing of resources between the Community and the University for the Development of both the common man and the students. This dimension also aims at sensitizing the students to the socio-cultural realities. It is visualized that the contact between the University and community would lead to the introduction of changes in the curriculum making it more relevant to daily life situations.

The DLLE with the diverse academic and technical resources supports the communities based extension work activities in collaboration with its specific mandate to work for the less privileged sections of the society and our efforts are to extend educational programs that will enhance and improve the quality of life of such groups with the central objective of **“reach to unreached”**. At present our DLLE extension activities are being conducted on regular basis in annual program of 235 colleges with 500 degree college Extension Work teachers and 23,532 Extension Work Students **from Mumbai, Thane, Palghar, Raigad, Ratnagiri and Sindhudurg districts** involved in Six Extension Work Projects based on Skill Development, Industry Orientation, Career Guidance, Information Technology, Entrepreneurship Development, Status of Women in Society, , Population Education & National Institute of Schooling.

As per the schedules of the Department, the Extension and Field Outreach activities undertaken through the Post Graduate Departments, Affiliated Colleges, and its Teachers and Students forms a major part in promoting a meaningful and sustained rapport between Universities and the community by introducing Adult Education (Lifelong Learning), Extension and Field Outreach activities which have been considered for academic credit. The students of Degree colleges from the faculty of Arts, Commerce, Science, Pharmacy, Law, Engineering, Education and Management are awarded ***Ten Additional Marks at the final exam on completion of 120 hours of work on the Extension Work Project*** undertaken and submission of the Project Report under University Ordinance 229.A in an academic year..

Aim

The Third Dimension of Extension is aimed at promoting a meaningful and sustained rapport between the Universities and the Community i.e., to have educational programs for a Social Change.

Objectives

The objectives of Lifelong Learning and Extension are outlined below for making education relevant to real life situations:

- To act as a focal agency in the University system for all Lifelong Learning programmes and to provide academic and technical resource support for community based activities in collaboration with Universities departments and colleges.
- To serve as an intellectual intervention in the community's living problems which need to be overcome through an educational process.
- To develop among students a sense of responsibility towards society.
- To design programs that will help students to face life and its challenges and thus create an ambience for a learning society.
- To deepen the teachers' and students' knowledge through a wider exposure to real life situations through a variety of programs.
- To prepare students for a greater social commitment.
- To enhance student employability skills
- To cater to the needs of the unreached for promoting knowledge based society.
- To network with Governmental and Non-governmental agencies, international organizations as well as industries and Senior Citizen Program (Please refer 2016 Act)

THE EXTENSION DIMENSION (Reach to Unreached)

The college students are enrolled for extension work projects and perform various activities for the **social awareness based on various issues / problems in the society such as Save Girl Child, Pollution, Aids, Global Warming, Environment, Tree Plantation, Importance of Education, Illiteracy, Child Labour, Dowry Deaths, Malnutrition, Watershed Management and so many.** The students are creating awareness about these social problems / issues through various activities such

as Street Play, Exhibition, Poster Making, Songs, Speech, Survey, Elocution, Seminar & Conferences. For the purpose, students are actually going to the society and involve the community and make them aware of our role in eradicating social problems faced by the society and trying to convince the people human duties as an ideal citizen. There are six types of Extension Work Projects are being offered by the department under the two different units for enhancing the employability and IT skills of the student. The projects are as given below:

I) Vocational Career Oriented Projects

1. Career Project [CP]
2. Industry Orientation Project [IOP]
3. Anna Poorna Yojana [APY]

II) Community Oriented Projects

1. Population Education Club (PEC)
