OTHER EDUCATIONAL PROGRAMME

WESTERN REGIONAL INSTRUMENTATION CENTRE, MUMBAI
Technical Officer III & I/c Assistant Registrar:- G.D. Patil

Western Regional Instrumentation Centre (WRIC), Mumbai is an autonomous institute and was established in the year 1977 as a part of UGC's comprehensive programme to promote instrumentation. It is fully funded by the University Grants Commission (UGC). WRIC has been functioning as a Registered Society with a Governing Council of which the Vice-Chancellor of the University of Mumbai is the ex-officio chairperson and which is now been recognized as a National Facility Centre in Instrumentation by UGC.

The major responsibilities of WRIC are to conduct various activities in the field of instrumentation in association with various colleges, universities, national research institutes and industries in the country.

Research and Development Activities

Projects completed by S.N.D.T. Trainee:

1. Home automatic water level controller
2. Walking Robot Arduino based.
3. Automatic room light Control & Visitor counter using IR sensor
4. Basic interfacing of TCS3200 Sensor & common anode RGB LED.

Patent :

Reply filed for "LED based Spectral Response Meter" after receiving the First Examination Report from Patent Office.

Project:

1. RGB LED spectrum creation using PIC Microcontroller.
2. PH app

Kit purchased for Training Programme :

1. Arduino Module
2. Accessories for Atmega32 & ARDUINO
3. Node MCU(ESP8266)

Practicals of ATMEGA32 :

1. LED blink from port pin
2. To display message on LCD
3. 0 to 9 counter on Seven segment display

4. To recognize & display pressed key on LCD
5. To convert and display analog value to digital & display on LCD
6. UART

Practicals of ARDUINO :
1. LED blink from port pin.
2. To display message on LCD.
3. 0 to 9 counter on Seven segment display.
4. To recognize & dispay pressed key on LCD
5. To convert and display analog value to digital & display on LCD
6. UART

Training Programmes

WRIC conducted training programmes / workshops at different colleges, university departments and institutes. This has resulted into a strong interaction between WRIC and various academic institutes and industries that has benefited all.

During the training programmes we repaired electronic laboratory, electrical, analytical and optical (microscopes & others) instruments were repaired. The details are as follows:

Sr. No.	Title	Venue	Target Audience	Duration	No. of Participants	Instruments Repaired

Test and Calibration of Instruments

WRIC has various types of calibration standard equipment which is used for calibration of a variety of instruments from Educational Institutions, Government Organizations and Industries. For the report period, out of 105 instruments received for calibration, 102 instruments were calibrated and 3 instruments were returned to the users as they were beyond repairs.

All instruments were calibrated by Pramila L. Bhawar, G.D. Chitte & checked by S.B. Momin.

Special Types of Instruments Calibrated

1.	Primary Injection kit	2.	Digital Thermometer with probe
3.	RTD Simulator	4.	Leakage tester
5.	Temperature Controller	6.	Water checking meter
7.	Scopemeter	8.	Data Logger Calibrator
9.	Analog pressure monitor	10.	Relay kit
11.	High resolution counter	12.	Fluke calibrator

General Types of Instruments Calibrated

1.	DMM	**2.**	Insutester
3.	Clamp meter	**4.**	5KV Megger
5.	Secondary Injection Kit	**6.**	Digital Timer
7.	Variac	**8.**	DB setup attenuator model
9.	Function generator	**10.**	AC test panel
11.	Signal generator	**12.**	Digital Temperature Source
13.	Digital mA/mV tester	**14.**	Leakege Current tester
15.	Earth tester	**16.**	Frequency counter
17.	Resistance box	**18.**	Calibrator
19.	Universal calibrator	**20.**	Power supply
21.	Rish Multimeter	**22.**	Headphone tester
23.	Tachometer	**24.**	Voltage mA/source

25.	High Voltage Kit	**26.**	Digital pressure Gauge

Following Institutions / Industries availed our Test and Calibration services :

Workshop Activities

In the Mechanical Workshop we have designed & fabricated various mechanical components required for training programmes, student's projects, R&D Division, Maintenance Section, Calibration Section & other activities of the Centre.

Job Description:

1. Fabrication of Temperature sensor holder in Brass(12cm length x 2.5 cm diameter)
2. To drill hole for components P.C.B, to fix switches on metal box & plates, indicator, BMP relay, push buttons, DIN relays.
3. To cut baklite sheet and fix 14 B terminal on sheet.
4. Mechanical Assembly for motor for National Center Nanoscience & Nanotechnology dept.
5. To make windows for D voltage 2 numbers.
6. To make holes for main board gromet B terminal.

7. Day to day maintenance and part making for different departments and student projects in our center.

Library and Information Services

The total number of books in the library is now 4539. In addition to WRIC staff, the Library facilities were used by project students and others.

Internet connectivity has been setup and is being used by staff members and other users. This gives access to many full-text e-journals, other related documents, and need-based information about solar panel, solar cell, photovoltaic, solar simulator, electronic components, instruments, circuits, etc.

Department Of Lifelong Learning And Extension

The DLLE with the diverse academic and technical resources supports the communities based extension work activities in collaboration with its specific mandate to work for the less privileged sections of the society and our efforts are to extend educational programs that will enhance and improve the quality of life of such groups with the central objective of **"reach to unreached".** At present our DLLE extension activities are being conducted on regular basis in annual program of 283 colleges with 750 degree college Extension Work teachers and 29,112 Extension Work Students **from Mumbai, Thane, Palghar, Raigad, Ratnagiri and Sindhudurg districts** involved in Six Extension Work Projects based on Skill Development, Industry Orientation, Career Guidance, Information Technology, Entrepreneurship Development, Status of Women in Society, Environmental Protection, Population Education & National Institute of Schooling.

The Department of Lifelong Learning and Extension (DLLE) was established on October 12, 1978 and has been recognized as a Statutory Department and one of the authority of the University of Mumbai since 1994 to promote a meaningful and sustained rapport between the Universities and the community. It is functioning under the Board for Lifelong Learning and Extension to create skilled and learned human power through its various degree level programmes and skills development programmes. The Board of Lifelong Learning and Extension has the duty to create synergy at policy and operative level between various teaching, research and development institutions and various regional and national bodies and governmental agencies in the domain of lifelong learning, value education and life skills for senior citizens apart from other duties given under the Act.

Extension Education, the third dimension of the University system, is a two-way process which visualized mutual sharing of resources between the Community and the University for the Development of both the common man and the students. This dimension also aims at sensitizing the students to the socio-cultural realities. It is visualized that the contact between the University and community would lead to the introduction of changes in the curriculum making it more relevant to daily life situations.

As per the schedules of the Department, the Extension and Field Outreach activities undertaken through the Post Graduate Departments, Affiliated Colleges, and its Teachers and Students forms a major part in promoting a meaningful and sustained rapport between Universities and the community by introducing Adult Education (Lifelong Learning), Extension and Field Outreach activities which have been considered for academic credit. The students of Degree colleges from the faculty of Arts, Commerce, Science, Pharmacy, Law, Engineering, Education

and Management are awarded ***Ten Additional Marks at the final exam on completion of 120 hours of work on the Extension Work Project*** undertaken and submission of the Project Report **under University Ordinance 229.A** in an academic year..

Aim

The Third Dimension of Extension is aimed at promoting a meaningful and sustained rapport between the Universities and the Community i.e., to have educational programs for a Social Change.

Objectives

The objectives of Lifelong Learning and Extension are outlined below for making education relevant to real life situations:

- To act as a focal agency in the University system for all Lifelong Learning programmes and to provide academic and technical resource support for community based activities in collaboration with Universities departments and colleges.
- To serve as an intellectual intervention in the community's living problems which need to be overcome through an educational process.
- To develop among students a sense of responsibility towards society.
- To design programs that will help students to face life and its challenges and thus create an ambience for a learning society.
- To deepen the teachers' and students' knowledge through a wider exposure to real life situations through a variety of programs.
- To prepare students for a greater social commitment.
- To enhance student employability skills
- To cater to the needs of the unreached for promoting knowledge based society.
- To network with Governmental and Non-governmental agencies, international organizations as well as industries and Senior Citizen Program (Please refer 2016 Act)

THE EXTENSION DIMENSION (Reach to Unreached)

The college students are enrolled for extension work projects and perform various activities for the **social awareness based on various issues / problems in the society such as Save Girl Child, Pollution, Aids, Global Warming, Environment, Tree Plantation, Importance of Education, Illiteracy, Child Labour, Dowry Deaths, Malnutrition, Watershed Management and so many.** The students are creating awareness about these social problems / issues through various activities such as Street Play, Exhibition, Poster Making, Songs, Speech, Survey, Elocution, Seminar & Conferences. For the purpose, students are actually going to the society and involve the community and make them

aware of our role in eradicating social problems faced by the society and trying to convince the people human duties as an ideal citizen. There are six types of Extension Work Projects are being offered by the department under the two different units for enhancing the employability and IT skills of the student. The projects are as given below:

I) <u>Vocational Career Oriented Projects</u>

1. Career Project [CP]
2. Industry Orientation Project [IOP]
3. Anna Poorna Yojana [APY]
4.

II) <u>Community Oriented Projects</u>

1. Population Education Club (PEC)
2. Survey of Women's Status (SWS)
3. National Institute of Open Schooling (NIOS)
