Respected Madam/Sir,

As you are aware, NEP,2020 after its notification on 29th July 2020, is being implemented by the HEIs across the Country. The UGC has been taking many initiatives under the umbrella of access, equity, quality,

affordability, accountability, and the same have been made aware from time to time to the HEIs.

In order to facilitate the universities to develop a road map for the effective implementation of significant initiatives of NEP 2020, UGC has constituted five zonal Committees namely, the Northern, North- Eastern and

Eastern, Western, Southern, and Central Zones, with Vice Chancellors of Central Universities, State Universities, Private Universities, and Deemed to be Universities. These Zonal Committees have been entrusted with

bringing together the HEIs of their Zone and guiding them towards various initiatives for qualitative transformation of higher education.

To further take up the task of implementing the NEP 2020 at the grassroots level and to formulate an action plan for the same, a series of conferences on "Implementation of NEP 2020" are being organized in these five

zones. VC conferences have already been conducted in the Western, Northern, Southern and Central zone. As a special case, a Conference is also scheduled to be held on 23rd February, 2024 at IIM, Jammu for the

HEIs, including Colleges, under the UTs of J & K and Ladakh. To take the implementation part to the next level, it is suggested that a Coordinator may be appointed in each of the Universities/Colleges so as to enable UGC

to get further information/details with regard to NEP, from a single window for speedy and effective co-ordination. In this regard, all the HEIs are requested to appoint a NEP Coordinator who shall be a single point of contact. The details may then be shared with UGC on the email nepbureau@ugc.gov.in.

You are further requested to direct the colleges which are affiliated to your University for the compliance of the same.

To All the Universities
