From the Director's Desk

It's time to cheer up the happiest moment in the life of Institute of Distance and Open Learning (IDOL), for it has completed its 44th year in March 2014-15. Over the years, IDOL has been known through different names like Directorate of Correspondence Course, Directorate of Distance Education, and till recently Institute of Distance Education. It started in 1971 with a chunk of 845 distance learners, and today, the IDOL has registered about 80,000 learners. When it began, its office was located in one room at VVB then on one floor of the University of Mumbai Fort Campus, and now, it has its own building with Wi-Fi connectivity, Digital Indicator, LED display board at the entrance, kiosk machine, fully equipped library with air conditioned reading room, classrooms, audio-visuals room etc.

There was a time when Distance Education (DE) used to be the last resort of all those who didn't get admission in regular colleges, now the students prefer Distance Education as their first choice, especially in metropolis like Mumbai which offers umpteen employment opportunities. Also I would like to mention that from the last few years enrollment of woman in distance mode is increasing rapidly; and this year the figure touches 59% of total enrollment. That is our achievement in woman empowerment.

It gives me pleasure to share with you that we started with 2 programmes in 1971 and now we are having 14 programmes and 34 courses (Graduate, Post graduate and Diploma courses) most of them run with study materials prepared in Self Instructional Format. The learner support Services are spread over 74 Personal Contact Programme Centers across Mumbai and Konkan region. Apart from that, IDOL has its teaching faculties for different subjects who counsel the distance learners throughout the year. For the benefit of the students, we have started online process for admission, exam time table, exam admit card, exam dates, exam form submission etc. For more update IDOL is on social networking sites like Facebook, Twitter, Gmail accounts etc. And all the required details are uploaded on daily basis for the convenience of students. The IDOL students from different courses, standing in the merit ranks of the University of Mumbai, prove quality-facilities given to them. As a result our students bag the first rank in many examinations. And also I would like to add that a seventy one year old Miss Shroff Ketty Cyrus Najamai got the first rank in M.A (Avestha Pahlavi) in March-2014. Many of them have gone abroad for their further studies in UK, the USA, Australia, Canada, New Zealand etc. During the last five years, many well-known film personalities, journalists and many other honorable persons from various fields have also been enrolled in the IDOL.

During the last five years, we organized two international conferences on IDOL and a series of workshops on developing self-learning materials, workshop on Moodle, and two national level conferences in ODL. This year we also organized the National Round Table Conference of Directors of Distance Education Institutes in which 30 Directors were present to discuss about issues pertaining to ODL especially Distance Education Council of India (DECI) bill.

We have also become a member of ICDE and AAOU. I'm proud to be part of the team, and it gives me immense pleasure to be the head of this institute on 44th anniversary which falls during my tenure. It won't be overstatement to say that the IDOL has, in his history, witnessed of the distance education and suffering of distance learners in our country where they have to vie with the regular students at every step of life. I hope, the institute will be as asset and new facet to the university in near future.

Enjoy the 44th year celebration!

Professor cum Director, IDOL

घटस्फोटित, विधवाही पुन्हा शिक्षणाकडे

‘आयडॉल’चे प्रवेश

प. रा. प्रतिनिधी, मुंबई

बैकी करत असताना शिक्षणाकडे परतून येण्याकडे कटन देण्याचा दूर शिक्षणाकडे मुली संख्या मोठी असतानाच, घटस्फोटित तसेच विधवा मुलीही आयडॉलचे पुन्हा राहण्यासाठी शिक्षणाची अधिक वाट घातत असल्याचे मुंबई विद्यापीठाच्या दूर व मुक्त अर्थ संस्थेच्या (आयडॉल) प्रवेशा आकडेवारीवरून स्पष्ट झाले आहे.

फुल टाइम कॉलेज करण्यापेक्षा प्रोफेशनल कोर्स करता करता अर्कडिमिक शिक्षण पूर्ण करण्याचा नवा ट्रेंड मुलींमध्ये पाहायला मिळतोय. त्यामुळेच डिस्टन्स एज्युकेशनला अर्कडिमिशन घेणाऱ्या मुलींची संख्या वाढताना दिसतेय.
