सचिव, शिक्षा मंत्रालय, भारत सरकार, नवी दिल्ली यांचे संदर्भीय पत्र क्र.(१) खालील प्रमाणे:—

"As you are aware that NEP 2020 envisions to transform higher education by creating large multidisciplinary institutions with flexible, credit-based curricula promoting integrated and lifelong learning with multiple entry and exit points. To support this vision, the Academic Bank of Credit (ABC) has been established to digitally store academic credits earned from recognized HEIs so that the degrees from an HEI can be awarded considering credits earned.

To ensure the realization of the vision of NEP 2020, the role of Academic Institutions is critical by ensuring timely upload of credits to the APAAR credit repository and mapping them with the students, APAAR Ids. This is essential to facilitate the redemption and transfer of credits. As per the earlier DO No 16-5/2020-TEL dated 29th July 2024, it was communicated that all HEIs must upload the student credit data for academic year 2021, 2022 and 2023 no later than 31st December 2024 on the ABC platform.

To further streamline the process of data capture for APAAR, the Ministry has decided that for the examinations/assessment conducted in any month of 2024, the credit information shall be uploaded/mapped with student APAAR Ids by June 2025. The said data will be freezed and no further modifications will be allowed after the deadline.

You are requested to review the current status and instruct all the State Universities/ Autonomous Colleges/ Stand-alone Institutions under your jurisdiction to ensure upload of credit data within the prescribed timeline.
