First Merit list (2025-26)

Other University Candidates

This merit list is based on the applications received till 15th June 2025 and data provided by the candidates seeking admission for MSc in Physics at the department of Physics (Autonomous).

The merit list is based on the “Total marks obtained by the candidates in their entire graduation programme (3/4 years or 6/8 semester) only considering major physics components of graduation” (note that Applied component / other subjects are NOT considered). 10% marks are subtracted from the calculated percentages while preparing the merit list for other University.
