At some point of time or the other, most of us have to step out of our homes and live in an absolutely new world, called hostel. It is not merely a building where people from various places with different backgrounds and different dreams come to live, but a lot more. This life teaches everyone umpteen number of lessons and gives them priceless memories for life.

In a new place, new environment, in a hostel, we are free to go about exploring many arenas that we have earlier not dared to explore. We grow emotionally, mentally, psychologically and physically. While we learn to deal with new situations, difficult times, solve our own problems, protect ourselves, manage our lives, live independently, we grow mentally. It gives our life and personality a brand new mould. We learn to fit in a new place and are exposed to many situations that are unfamiliar hitherto.

It is requested to bring the above programme to the notice of your Girls' Students to facilitate them or their friends and relatives by accommodating in the University New Girls Hostel.

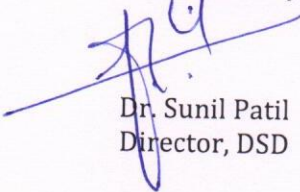

The Inauguration of the Madam Bhikaji Rustom Kama Girls Hostel, University of Mumbai will be in the auspicious hands of the Hon'ble Shri.
