

**UNIVERSITY OF MUMBAI**

No. UG/16 of 2017-18

**Circular:-**

The Principals of all affiliated Colleges in Science are hereby informed that the proposal submitted by Dean, Faculty of Science & Technology regarding the scheme for S.Y. B.Sc. **be accepted** and in accordance therewith, it is decided that S.Y. B.Sc. will have two core subjects each with two courses instead of three courses supplemented with at-least one but not more than two elective courses in each semester viz. semester III and semester IV, respectively.

Further, it is also decided that, the elective(s) offered by the student shall be such that, it is developed by the Board of studies in the subject other than the two subjects offered by the student as core subject. It is therefore resolved that, the syllabi of S.Y. in Science subjects be suitably amended and that each Board of Studies may develop curriculum in elective courses be suitably designed to be offered by the students, who are otherwise pursuing the courses in the subjects not related with the said electives in the semester III and semester IV.

Care may be taken to ensure that the number of students opting an elective shall not exceed the number of student offering said core subject in order to accommodate all the students for granting at least one elective, additional admission may be done proportionately only after exhausting the available seats in the in the concern core subject hosting the respective elective on the basis of choice and merit and has been accepted by the Academic Council at its meeting held on 31<sup>st</sup> May, 2017 vide item No.4.5.

Which is available on the University's website ([www.mu.ac.in](http://www.mu.ac.in)) and that the same has been brought into force with effect from the academic year 2017-18.
