Dear Sir/Madam,

University Grants Commission has been implementing B.Voc courses, Community Colleges and Deen Dayal Upadhyay KAUSHAL Kendras in Higher Education Institutions to cater to the necessity for developing skills among students and creating work ready manpower on massive scale.

The Ministry of Human Resource Development, through its four Regional Boards of Apprenticeship/Practical Training (BOATs/BOPT) located at Mumbai, Chennai, Kanpur & Kolkata, is involved in implementing the National Apprenticeship Training Scheme (NATS) for Engineering/Diploma/10+2 Vocational Pass-Outs and these centres are playing a pivotal role in making them more employable and skillful by way of receiving proper skills training by undergoing one year practical training in the relevant industries/establishments across the country (copy of the letter is uploaded on UGC website www.ugc.ac.in).

For ready reference the link of National Web Portal on National Apprenticeship Training Scheme (NATS) is available on UGC website. You are, therefore, requested to display the link of National Apprenticeship Training Schemes, (NATS) (www.mhrdnats.gov.in) on your home page for generating awareness and benefits among the students studying in your institutions about NATS.

With kind regards,

Yours sincerely,

(Jaspal S. Sandhu)
