REVISED SYLLABUS FOR TWO YEARS POST-GRADUATE ADVANCE DIPLOMA IN PALI

PREAMBLE

Pali is one of the ancient languages of India. University of Mumbai has recently [June 2007] started the Department of Pali, to promote and propagate the Pali language.

Looking at the growing response and demand for the Pali learning , Department of Pali proposes to start a **Two Years Post Graduate Advance Diploma in Pali.**

This course is specially designed for the graduate students who are unable to dedicate time for full time M. A., but want to learn intensive Pali. Students who have completed their MA in Pali, and still want to continue learning Pali but are unable to do so because of the limited seats in M. Phil course or less percentages of marks in MA.

With the increasing number of students completing the MA in Pali every year, there is a great need for the course which would encourage the students to continue Pali studies and at the same time give them the in-depth knowledge of the language.
