

WEBINAR ON  
**CAREER PLANNING IN BIOPHYSICS IN THE SHADOW  
OF THE PANDEMIC**

(7<sup>th</sup> JULY 2020)

ORGANIZED BY

**Biophysics Pashchim Student Chapter of Biophysical Society  
&  
Department of Biophysics, University of Mumbai**

The ongoing pandemic has brought a lot of uncertainty in everything around us. Graduating Masters and Ph.D students are especially facing dilemmas due to postponed openings of the institutes, delayed status of funding and curriculum, travel and visa restrictions in many countries etc. To address our worries and questions we (Biophysics Pashchim Student Chapter) along with Department of Biophysics, University of Mumbai have arranged a live **discussion session** on "**Career planning in biophysics in the shadow of the pandemic**".

**SPEAKERS**

**Prof. Thorsten Wohland**, Professor and Vice-Dean, National University of Singapore

**Prof. Daniel Huster**, Professor and Director, Institute of Medical Physics and Biophysics, University of Leipzig, Germany

**Dr. Arjun Surya**, Co-Founder & Chief Scientific Officer. Curadev Pharma Ltd. India

**Dr. Sourav Basu**, Vice president, R&D. Curadev Pharma Ltd. India

and **Prof. Sudipta Maiti**, Professor, TIFR Mumbai, India (also a co-host of this session)

**Date: 7th July 2020 at 10:30 AM IST.**

If you wish to attend this session, please **register** using **this form** : <https://forms.gle/FkVTrpmHkKssBRUh7>

Eligibility: Postgraduate/PhD /Research scholars from Biophysical sciences are eligible to apply

Registration will be on first come first serve basis.
