

#### About the book

Ambedkarism has laid the theoretical foundations of Human rights movement. In this book *Dimensions of Ambedkarism* different dimensions of Ambedkarism viz. political, educational, constitutional, legal, economic, feminist, literary, cultural are discussed. Dimensions of Ambedkarism must be studied in present scenario for resolving various issues. The legacy of political dimensions of Ambedkarism is Social Democracy which aims at State Socialism and Welfare State. His active participation in politics had given new dimensions to politics in India because people who were not allowed to be in mainstream politics got the opportunity to be part of political life of India. Socio-religious and cultural dimensions of Ambedkarism have brought revolutionary changes in socio religious and cultural life of India. Economic Dimensions have uplifted the class of the have nots. His theory of reservation has practically resulted as social inclusive policy. Babasaheb Ambedkar has practically laid the foundations of women's emancipation movement in India. Literary and educational dimensions of Ambedkarism have raised the level of consciousness amongst depressed classes about their civil rights. Constitutional and legal dimensions of Ambedkarism have laid the democratic foundations of India. This book is an attempt to study dimensions of Ambedkarism with intellectual integrity.
