

Notice for Online Mock test for LL.M. CET Exam 2020

University of Mumbai - Department of Law and Affiliated Law Colleges of University of Mumbai are conducting Online LL.M. CET Examination - 2020

(LL.M. DEGREE COURSE TWO YEARS) for the academic year 2020-2021.

- **Mock Test Schedule:**

Date of Mock Exam: **30th November 2020**

Time: 1:00 pm to 1:30 pm

Total Questions: 25

Marks: 50

Topic: General Law

- **Instructions for Online Mock/Main CET LL.M Test:**

1. Candidates should appear for the examination on the Google Chrome or Safari Browser only.
2. **User ID** is your **Seat Number**
3. College code for login into exam: **College code:- 211714**
4. Go through the Exam instructions properly
5. Make sure you are alone in the room during the time of exam.
6. You can use any one device only to give the exam. (Mobile Phone/ Laptop/ Tablet/ Desktop).
7. Kindly allow permission to access the camera in order to proceed with examination. Without permission, the application won't allow you to start the exam.

8. If Google chrome doesn't ask for permission click on Lock icon in the browser url bar and allow camera or go to site setting in chrome and allow camera for “Offeewebsite”
9. In case if you have any problem with your camera phone/desktop or any other query contact in your respective WhatsApp Group
10. Make sure you are member of **any single Whatsapp group only** which are numbered from 1 to 15. All CET exam Whatsapp groups are named from “ **LLM CET 2020-1 to LLM CET 2020-15**”
Multiple group entries by single student would lead to clashing your exam records. To avoid any confusion in your exam records, **make sure you are part of one exam group only.**
11. All These WhatsApp groups are formed for student’s convenience and quick technical / administrative supports to all students. **DO NOT MISUSE THESE GROUPS TO CONTACT ON PERSONAL MOBILE NUMBERS OF FELLOW STUDENTS. RESPECT EVERYONE’S PRIVACY. ANY COMPLAINT REGARDING THIS MATTER WILL STRICTLY LEAD TO CANCELLATION OF REGISTRATION OF SUCH STUDENT. ANY SUCH ACITIVTY, MISCHIEF OR MISBEHAVIOUR FOUND GUILTY IN INVADING OTHER STUDENT’S PRIVACY ARE SUBJECT TO CYBER CRIME REGULATIONS. DO NOT USE GROUP CONTACTS TO SEND PRIVATE / PERSONAL MESSAGES / CALLS TO OTHER STUDENTS.**
12. We recommend using Wi-Fi internet connectivity for a stable internet environment.
13. If you try to move out of the exam screen during the on-going exam it will get counted., e.g. minimize the screen and go to phone gallery, browser search, Google search, view any PDF/ word / jpg documents, WhatsApp etc. Since the exam is being monitored, every minimize is counted and recorded upon occurrence, you will be eliminated from the exam and logged out at instance.
14. If you deviate from camera. Any eyes movement, gestures will be captured and you will be logged out of exam instantaneously.
15. If you are using the mobile internet, a call comes and if you click on it or pick it up, it is counted as minimized from the exam screen and the

system is programmed to take auto action against it under the copy case scenario. Therefore, candidates are advised not to receive any call during the exam.

16. Exam software is programmed such that any two or more students found using exact same Wi-Fi IP or Mobile internet using exact location, it will be logged by system and second IP will be blocked automatically.
17. If you are using Wi-fi, turn your phone to flight/airplane mode then connect your Wi-Fi and give an exam so no external calls/messages will come during the time of exam. One can also use “Do Not Disturb” feature on phone.
18. Once logged to one device, you aren't allowed or would be able to Log-Into any other device, so ensure before the exam and keep your device ready.
19. Make sure to log-out from the website when your exam for the day is done or else you would face log-in issues for the next exam.
20. We have put one Practice & Mock test for you. You can give the test and be ready for examination.

The university reserves its right of decision in any discrepancy/ issue/ conflict found. Strict disciplinary actions will be taken if any student found misusing system. It will lead to cancellation of registration for LLM admissions and debarred from any further process of LLM ADMISSIONS.
