

DEPARTMENT OF LAW

NOTICE

Online LL.M. Examination (Regular) First Half 2020-2021

Revised Guidelines for Students

Pre-Exam Preparation

Students appearing for LL.M.SEM I (Regular) exams are required to fill up online Google form on the link given below (On or before 24th May 2021 till 6:00 p.m.)

Google form link - <https://forms.gle/oe9bYDyNobfnh2iZ8>

Getting ready for online exams:

Make sure you have the following:

1. A valid e-mail ID & mobile number registered with the University. Make sure you are able to access your emails. You will receive exam details on your registered email - one day prior to the exam day. The details will have your exam link, user ID & password. In case you don't receive the exam details within the defined timeline, please contact Law Department and coordination team for necessary assistance.

2. For appearing online exam you can use any one of the following Electronic Device.

1. Laptop with webcam

2. Desktop with webcam

3. Smartphone with Google Chrome Latest Version

Online exam link for web based browser (Laptop, Desktop, Smartphone) **Imp:** Since the exam will be conducted under supervision of proctors (online Invigilators), it is mandatory to have webcam / front camera in a properly working condition. Internet connectivity of at least 1 MBPS or above.

You can check your internet speed on this link – <https://www.speedtest.net/>.

The maximum per day requirement of bandwidth is 1 GB for taking the 3 hr paper comfortably.

Exam Duration Will Be 90 Minutes although students must log in **half an hour prior to exam time.**

Exam Schedules will be 02:30 p.m. To 04:00 p.m.– And Students Need to Login by **02:00p.m.** for Authentication

3. Latest version of Google Chrome browser must be pre-installed in your respective devices.

- Use Windows Laptop/Desktop/Any Smartphone Device.

Users can download chrome from here:- https://www.google.com/intl/en_in/chrome/

- **STUDENTMUST PREFERABLY USE ANDROID OPERATING SYSTEM DEVICE OR WINDOWS OPERATING SYSTEM DEVICE.**

DO NOT USE iPad/ MAC PC/ MAC LAPTOPS AS SOME COMPATIBILITY ISSUES EXIST ON THESE DEVICES.

4. Google Chrome settings: - You need to allow Google Chrome to use camera & microphone. This is mandatory without which you will NOT be able to attempt the online exam.

Laptop / Desktop users will need to allow permission to Chrome browser to use camera & microphone on the pop-up window.

5. Testing your webcam / front camera

- Please test your Webcam / front camera here (test this link in Google Chrome browser only)

Click - <https://assessment.eklavyya.com/Student/webcamtest>

- **Important:** Make sure there is sufficient light in the room from where student is appearing for the exam. The proctor will be monitoring student's activity during the entire examination duration. Make sure there is sufficient light on the face.

6. Turn off notifications in apps and browser popup to avoid distractions and exam terminations.

- Inform all family and friends that they should not call you during the exam hours.
- No Other Devices Are Allowed To Use at the Time of Exam
- **Exam day preparation:-**Instructions to be followed before the exam:- (half an hour prior to exam)
- Get settled at a silent place with your device ready- half an hour before scheduled exam time.
- Make sure you are sitting alone. Turn off TV, Radio or any other sound systems that could distract you.
- Make sure your device is fully charged & you have power back-up / power bank / charging facility – in case your device battery drains out of charge during the exam.
- Test your computer/laptop /mobile which you intent to use for taking the exam to ensure that it is working well.

(Please note, you will not be able to appear for the exam if web camera OR microphone attached with your system is not functional and the access to the same is not granted. Therefore make sure that your web camera & microphone are functional at all the time of exam.

Students who are using laptop or desktop or mobile phones are requested to disable antivirus updates/windows updates which might create disturbance during the exam.

Put your Smart phones on silent mode & make sure your apps notifications are turned off.

Ensure that proper internet connection is available (Minimum with 1mbps speed)

MOST IMPORTANT - STUDENT VERIFICATION PROCESS: The student log in process will start half an hour before the scheduled exam time

- Example: if exam start time is 02:30 PM, the student has to login at 02:00 PM. **The students will not be allowed to login later than 03:00p.m.**(In Case Any Issue Occurs – Please Reach To coordinator /Helpline numbers)
- Exam end time will be 04:00 **p.m.**
- Students who are writing descriptive type questions carrying 3 marks each manually on physical blank paper/ hard copy format , will get an additional 15 minutes for uploading the photo /image of their respective written answered material in the system

In case your login process is completed early and your session gets timed out due to lack of activity, the student may login to the exam again. This will not be considered as a violation of exam rules.

Once you are ready, follow the steps given below to login and appear the exam successfully.

Step 1: Go to your registered email and open the email received from Department Of Law, University Of Mumbai

Click on the exam page link to login to your exam page – <https://assessment.eklavya.com>

In case you face any issue in opening the link, please follow the procedure - **right click on exam page link> select copy link option > then open chrome browser > and paste the link to load the page**

Step 2: Upon clicking the link, exam login page will open in your Chrome browser. You need to login with user id & password which you have received in the email. You need to complete this 30 minutes prior the scheduled exam time.

If you face any problems during main exam or have any queries with regard to questions, you have to communicate with helpline/coordinator of exam.

Instructions to be followed during the exam: -

1. Students should not switch the screen or move out of the exam page or open any other application, this will terminate the exam and student may not be allowed to resume the exam again. In case of genuine connectivity issues, coordinator/ tech support may allow to resume exam once as an exception.
2. Minimizing browser window will also terminate your exam.
3. If exam is discontinued because of any connectivity / Electricity issues, you are requested to re-login immediately by using the same login credentials. In Case of major issue, contact coordinator/ tech support
4. Students can resume the Exam from where they had left off. All the previously attempted answers including the remaining time of the exam which will be saved in the system automatically.

Other important instructions:

Exam consists of **Objective type & Descriptive type of questions.**
