Sub.: Engagement as Apprentice in POWERGRID as per Apprenticeship Act, 1961 and its subsequent amendments and Rules.

Dear Sir/Madam,

POWERGRID, the Central Transmission Utility (CTU) of the country, one of the largest and best managed Transmission Utilities in the world and a Maharatna Enterprise of Govt. of India, is operating about 1,71,950 Ckt. Kms. of transmission lines and 266 Sub-stations (as on 30.04.2021) which wheels about 50% of the total power generated in the country through its transmission network with consistent system availability of over 99%. In the Western Region-I, POWERGRID operates over 22,485 Ckt. Kms. (Approx) of Transmission Lines through 23 substations and 02 HVDC stations.

POWERGRID subscribes to the belief that efficiency, effectiveness and success of any Organization depends largely on the skills, abilities and commitment of employees who constitute the most important asset of the Organization. POWERGRID provides excellent learning opportunity and a chance to work with latest State of Art technologies like use of Series Capacitors, Flexible AC Transmission System (FACTS), Controlled Shunt Reactor (CSR), Regional Transmission Asset Management System (RTAMC) & adopting best practices in Civil Engineering like Modular Construction etc. There will also be opportunities to deliver future-focused excellence in the field of People Management and Human Capital.
