

Massive Open Online Course  
OPEN EDUCATION FOR A BETTER WORLD  
(OE4BW)

## Education for a Just, Peaceful & Inclusive Society

MOOC Developed Under  
University of Nova Gorica

&

the UNESCO Chair on Open Technologies  
for Open Educational Resources & Open  
Learning at the Jožef Stefan Institute

The **Open Education for a Better World (OE4BW)** online mentoring program **supports the development** and implementation of open educational resources on topics with social impact according to the **UN Sustainable Development Goals (SDGs)**. This course is a part of this initiative to address the problem **SDG4**—“ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.”. This course is an attempt to look at education as a means to address issues related to the goal, contemplate on practical ways in which we in education can play our role to be a part of the **solution with impact** on society and **ensuring quality** of the developed OER.

### Aim of the course:

To Develop in the learners the Knowledge, Skills & Attitudes to lead a productive life, make informed decisions, assume active roles to face, combat & resolve challenges in building a culturally diverse yet just & equitable society.

### Learning Outcomes:

At the end of this course, participants will be able to;

- Develop cognitive readiness in to:
  - identify,
  - discuss,
  - reflect,
  - think of ways to contribute in developing just, peaceful & equitable societies.
- Engage with philosophies and thoughts of constitutional leaders who used processes of social influence to interact effectively with individuals across diverse backgrounds.
- Evolve one’s own understanding of the relationship between democracy and just , peaceful & equitable society.
- Explore wealth of perspectives and practices for multicultural and inclusive societies.
- Engage with Open Pedagogies through various activities and contents.

Reflect the various attributes of Open Pedagogies.
