The applications are invited from the android based (mobile) application developers for the development of android-based applications on urban liveability and Green Space covering biodiversity aspects. Graduation / Postgraduation in IT, Software engineering, Computer application or having similar relevant academic qualification with 55 percent at graduation and good experience in the development of such applications would be desirable. The developer is expected to complete the development of application by 12<sup>th</sup> August, 2021 from the date of appointment i.e. 26<sup>th</sup> July, 2021. The copyrights of development of the application will remain with ICSSR and University of Mumbai. The developer is expected to communicate the budget required for the development of these two applications at the time of interview itself (the necessary information will be provided to the applicants well in advance). Interested candidates are requested to send their applications to the project director, Dr. Aparna Phadke on her email [aparna.phadke@geography.mu.ac.in](mailto:aparna.phadke@geography.mu.ac.in) not later than 24<sup>th</sup> July, 2021.

Dr. Aparna Phadke

Project Director.

Forwarded through the Head,

Dr. Sanjukta Sattar
