for information.

**New ordinances 6691 & 6692 relating to the
Advance Diploma in Interior Designing .**

1. Necessity of starting of this course:

Off-late the growing need for comfortable and luxurious homes and work spaces has led to an increasing demand for Interior Designers. Therefore, people's desires and wants to add aesthetics has increased tremendously.

A professional interior designer is one of the best options for clients to elucidate ideas, plan and execute along with money saving, time and energy saving options.

An Interior designer is ideally equipped with an education, and practical experience to plan, coordinate, design and execute projects.

The professional scope of an interior designer is huge in India and backed with a flair for innovative thinking and designing one can reach a pinnacle in this field. The career scope of interior designing in India looks promising, and the course offered here takes full advantage of this fact. The training allows the student to handle out of box thinking, and not only look forward to a promising personal career but also contribute to the welfare of the society. The course makes every effort to provide maximum exposure market by working on live projects, industry visits, exposing students to talks of market experts, to workshops which gives the students confidence about what is expected of them as interior designers in the practical construction field.

Being a part of a reputed, accredited institution puts students at an advantage so that in addition to a well-rounded education we can give them the best possible, once they step into the working world, giving them a strong foundation on which to build their careers. Furthermore, it will open doors unprecedented for our students. Conferring diplomas attached to an accredited institution thereby providing potential recruiters with an assurance of quality of education and skill.

2. The UGC has recommended to start this course.

Yes. The UGC has made a strong recommendation for Skill based courses, keeping in tune with the Government of India initiative of a National Design Policy. Such a course visualizes a design enabled industry and aim to have a positive impact on the quality of life and in tune to the national economy.

3. This course has not commenced in 2019-2020.

4. This is a proposed course, and it will be self financed.

5. This is a one-year diploma course. The course is designed to provide professional training for the Interior Designing industry, and encompasses all the advanced skills needed to work in the industry. It would not be possible to compress this course

6 The intake capacity for this course is 30 students.

7 JOB OPPORTUNITIES:-

- ✓ Jr. Interior Designer
- ✓ Interior Decorator
- ✓ Design Critics./ Jr. Columnist in any Publications or media magazine
- ✓ Assistant to the computer visualiser, CAD operator
- ✓ Sales person in the colour , furniture store, and allied
- ✓ Site Supervisor
- ✓ Accessory designer product designing
- ✓ Interior design stylist /
- ✓ Analyst Freelancer
- ✓ Teaching

Name & Signature of BOS Chairperson :

Dr. (Mrs.) Geeta Ibrahim

Name & Signature of Dean:

ADVANCED DIPLOMA IN INTERIOR DESIGNING

Medium of Instruction : English

RATIONALE:-

Today there is a growing need for comfortable and luxurious homes and work spaces, which has led to an increasing demand for Interior Designers. Therefore, people's desires and wants to add aesthetics has increased tremendously.

A good experienced interior designer helps to combine the various decorating styles like contemporary, modern, classic, indo-western, western and many more in a perfect way to create a fusion that is one-of-a-kind, beautiful and perfectly matches the needs and expectations of the client

An Interior designer is ideally equipped with an education, and practical experience to plan, coordinate, design and execute projects.

The professional scope of an interior designer is huge in India and backed with a flair for innovative thinking and designing one can reach a pinnacle in this field. The career scope of interior designing in India looks promising, and the course offered here takes full advantage of this fact. The training allows the student to handle out of box thinking, and not only look forward to a promising personal career but also contribute to the welfare of the society. The course makes every effort to provide maximum exposure market by working on live projects, industry visits, exposing students to talks of market experts, to workshops which gives the students confidence about what is expected of them as interior designers in the practical construction field.

Eligibility : Std XII pass, and a basic diploma in interior designing.

Fees Rs. 98,300 /- + GST applicable

Student intake capacity : 30

SEMESTER I

UNIT	SUBJECTS	INTERNAL MARKS	SEMESTER END EXAMINATION	TOTAL MARKS	TOTAL HOURS	CREDITS

➤ **Evaluation:**

All subjects will be evaluated through

- Continuous assessment of sessional work in the form of assignments, drawings and tutorials.

- ✓ Students to make presentation on selected topics which will be marked.
- ✓ **Internship:-** 90 working days with a registered business firm.
- ✓ Teaching inputs include field visits, seminars, market surveys, study tour, assignments and presentations in the above mentioned subjects.
- ✓ Students showcase their work at an annual exhibition which will be judged by eminent personalities from the field.
- ✓ Participation in design competitions and exhibitions.

➤ **JOB OPPORTUNITIES:-**

- Jr. Interior Designer
- Interior Decorator
- Design Critics./ Jr. Columnist in any Publications or media magazine in
- Assistant to the computer visualiser ,cad operator
- Sales person in the colour , furniture store, and allied
- Site Supervisor
- Accessory designer product designing
- Interior design stylist /
- Analyst Freelancer
- Teaching

❖ **Scheme of Examination:-**

The performance of the learners shall be evaluated into 2 parts.

The learner's performance shall be assessed by internal assessment with 40% marks in the first part, by conducting the semester end examination with 60% marks in the second part.

The allocation of marks for the internal assessment and the semester end examinations are shown as below:

Theory:

Internal assessment 40%

Sr. No.	Evaluation Type	Marks
