**New ordinances 6687 & 6688 relating to the Advance
Diploma Course in Graphic Design and Visual Communication.**

1. Necessity of starting this course:

This course aims to encourage the student's creativity, individuality and personal growth through the study of graphic communication design.

The main objective is on the application of skills to develop ideas and present information in ways that are engaging, meaningful, useful and worthwhile.

Since the communication is client based, the student will be able to be aware of the intricacies of design, and can identify and use communication strategies to be effective. Using a wide range of intellectual, creative and cognitive skills, and placing a strong emphasis on design, presentation and communication of ideas, the student becomes fully equipped to hold his own in the industry.

The course offers, the study of design methodology, with the use of artistic and digital skills that are sustainable and can be used in all professional settings, and will allow them to face the challenges in the industry. The UGC has not recommended to start this course. Being a part of a reputed, accredited institution puts our students at an advantage so that in addition to a well-rounded education we can give them the best possible, once they step into the working world, giving them a strong foundation on which to build their careers. Furthermore, it will open doors unprecedented for our students. Conferring diplomas attached to an accredited institution thereby providing potential recruiters with an assurance of quality of education and skill.

2. The UGC has recommended to start this course.

Yes. The UGC has made a strong recommendation for Skill based courses, keeping in tune with the Government of India initiative of a National Design Policy. Such a course

visualizes a design enabled industry and aim to have a positive impact on the quality of life and in tune to the national economy.

3. This course has not commenced in 2019-2020.

4. This is a proposed course, and it will be self financed.

5. This is a one-year diploma course. The course is designed to provide professional training for the Graphic Design & Visual Communication industry, and encompasses all the advanced skills needed to work in the industry. It would not be possible to compress this course

6. The intake capacity for this course is 30 students.
