## Instruction:

1. The internal examination will be conducted on MOODLE platform. To attend exams smoothly, practice mock tests will be given to students on 20/07/2022. 12 p.m. to 5.00 p.m.
2. Duration for completing the internal examination for each paper is 30 mins.  
(Note that the start time and end time of each student would be recorded.)
3. M.C.Q.s are conducted as part of an internal theory exam and carry 30 marks for each paper.  
(Note: As per syllabus from the Course Era/UDEMY/Swayam platform, if the interested student has completed his/her certification in a short-term course kindly submit one print of the certificate till 30<sup>th</sup> July 2022, before the external theory examination.)

Answer all questions in the exam.

### Example of MCQ:

When and at which place Narendra Modi was born?

- A. 17 September 1950, Mehsana district, Gujarat
- B. 12 November 1949, botad district, Ahmedabad
- C. 19 September 1950, Aravalli district, Gujarat
- D. 17 October 1951, Morbi district, Gujarat

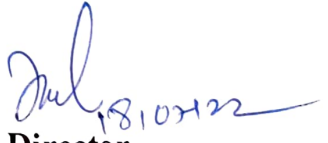

To get marks, students have to select the right answer from the given option.

4. If the student fails to appear for the internal examination, then He or she will be considered as a repeater for the next year's examination.

### Note:

1. The examination will conduct on the first two units, i.e. Unit 1 and unit 2

To attend the Internal theory examination on the moodle platform, the credential had received through moodle admin, So use previous shared credential. For Query he/she can contact [mscit@idol.mu.ac.in](mailto:mscit@idol.mu.ac.in) or in the telegram group.
