

Announcement of Programmes 2022-23

Dear colleagues,

Greetings from the SICIUC!

I am pleased to inform you that SICI India Office has announced programmes for the year 2022-23 in a hybrid model in which proposals can be submitted based on the University of Mumbai's COVID-19 policy. This is yet another opportunity for the academic and research community of our university to showcase our expertise and knowledge to further the goal of establishing academic and research excellence in the realms of higher education. I appeal to you to avail this opportunity to apply for grants and share the relevant part of this information to the students and researchers registered to full time degree programmes in your respective department/centre/institute.

Programmes seeking applications are as follows: (Please click on each programme to access the details and deadlines)
