Circular

This is to inform you that University of Mumbai has appointed a consultant for maximizing the compensation receivable towards handing over 8.57 acres of University of Mumbai's land to MMRDA. The task is given to M/s. Padeco Company Limited. Scope of work includes complete drone survey of University premises and preparing plans and models of existing infrastructure of University of Mumbai.

M/s. Padeco Company Limited has sublet the work of drone survey to M/s. AERONICA Advance Technologies.

It is mandatory for all the departments to give access to surveying people coming with Junior Engineer / Staff from IPEMD department. They will take photographs and video recordings for building database in two weeks from the date of this circular..

The information collected will be kept confidential at University level and it will be encrypted.

Registrar,
University of Mumbai
