Note: The Principals of Constituent/Affiliated Colleges in Architecture should ensure that all candidates of their college should be available as and when they are called out for by the Jury examiners at the time of their viva-voce. The candidates who fail to present himself/herself when they are called will be marked 'ABSENT' and examiners will proceed with the next candidate. The examiners will not wait for the absent candidate after the viva voce of the last candidate is over.

In case of repeater candidates who are appearing simultaneously for two subjects should report to the concerned examiners and fix their timings of the jury examination.
