exam date and form submissions. For more updates, the IDOL is on social media like twitter, facebook and Gmail account.

IDOL students standing in the merit lists of University examinations and bagging several medals is a testimony of the quality facilities the IDOL provides to its learners. Many an IDOL student finds place in foreign universities from the UK, the USA, Canada, Australia, New Zealand for pursuing their higher educations. Few personalities from film, media, politics etc. have been enrolled to different programmes of IDOL.

During the last five years, the IDOL organized workshops, conferences for our counselors and course writers. The faculties of the IDOL have been deputed to various development programmes. In addition, we do organize programmes such as playwriting workshops, Vachan Prerna Din, Marathi Bhasha Din and many others. The IDOL faculty members contribute to the department and college activities as resource persons in the areas of MOOC's, OER, SWAYAM, and their core subjects. The Massive Open Online Courses (MOOC's) Certificate Course in Communication Technologies in Education offered by University of Mumbai, Institute of Distance and Open Learning is the most popular course in the UGC MHRD SWAYAM Portal. It is available at [www.swayam.gov.in](http://www.swayam.gov.in)

In the end it won't be overstatement to say that the IDOL is at par with the conventional higher education institutes and other open universities disseminating and creating knowledge. I hope that the IDOL shall be an asset and new facet of the University of Mumbai in the days to come!

Enjoy the 47<sup>th</sup> year celebration!

Dr. D. Harichandan  
Director, IDOL

### **2. About Institute of Distance and Open Learning**

On March 24, 1971, University of Mumbai started its correspondence education as "Directorate of Correspondence Courses". Over the years, it has moved from correspondence to distance and directorate to institute and now keeping with the pace, it has been known as Institute of Distance and Open Learning (IDOL).

Since its inception, the IDOL has been offering various traditional degrees, technical and professional courses through distance mode. The IDOL is now member of ICDE and AAOU.

### **3. Vision and Mission of IDOL**

#### **VISION**

To position IDOL as a premier ODL Institute responsive to emerging needs of learners by providing education for all. To produce high quality graduates and contribute towards sustainable development of the research.

#### **MISSION**

The institute shall strive to promote innovative strategies for creation and dissemination of knowledge using available media and technologies so that university graduates acquire relevant capabilities to contribute with diligence to national development and global knowledge pool through their caliber, professionalism, value system and sense of service.

This will be achieved by providing high quality self learning materials with emphasis on learner support services and to take education to the unreached and promote community participation for local development.
