Santacruz (E), Mumbai - 98

About | University of Mumbai

The University of Mumbai (known earlier as University of Bombay) is one of the oldest and Premier Universities in India. It was established in 1857 consequent upon "Woods Education Dispatch", and it is one amongst the first three Universities in India. The profile of this University carved out more than 155 years of its functioning attests to its manifold achievements as the intellectual and moral powerhouse of the society. The University has always given its best to the country in general and to the city of Mumbai in particular by enthusiastically shouldering an ever-growing load of social values and opportunities.

It has two campuses of area of 264 acres and 13 acres, with 1.25 million square feet of built-up area, 22 thousand sq. feet of class-rooms and 84 thousand sq. feet of laboratory space. It has two post graduate centers, about 800-plus affiliated colleges and 75 Departments. It has established its name in industrial collaborations and runs various professional courses with many departments having government agencies funded projects. The most glorified achievement of university-University of Mumbai has been awarded the A++ grade (CGPA 3.65) and completed third round of accreditation and evaluation by NAAC.

About | Department of Commerce, University of Mumbai

The Department of Commerce, University of Mumbai was established on 1st December, 1980 to shoulder the responsibilities of post-graduate teaching, training and research in the Commerce Faculty. The Department is the most active one with tremendous potential for growth. At present, the Department admits students for the M.Com. and Ph.D. Degree Courses. The Department offers specialization in areas most relevant to the city of Mumbai, the Financial Capital of the country, viz. Business Management, Banking and Finance and Accountancy.

The Department provides instruction for two years M.Com. Degree. In the M.Com. Degree by papers the students study specialized degree programme based on three options Business Management, Banking and Finance and Accountancy. The department of commerce is committed to train and mould young minds to take up start up activities, actively participate in research projects, involve in business talks and involve students in adding their ideas and creativities towards innovative activities needed to prove themselves as prominent source for providing their HR skills for corporate sectors.
