

DEPARTMENT OF PHYSICS
UNIVERSITY OF MUMBAI

Organises

Invited Talk
on

“SOME FUN ASPECTS OF CONDENSED MATTER PHYSICS”

Prof. Deshdeep Sahdev
Professor of Physics
IIT Kanpur

Join us as we delve into the playful side of condensed matter physics, where the fundamental principles of nature reveal their beauty and complexity, compelling us to ask deeper questions about the materials that compose our universe. Whether you are a seasoned physicist or a curious newcomer, there will be something for everyone to enjoy in this captivating exploration of condensed matter!

**VENUE : DEPARTMENT OF PHYSICS,
SEMINAR HALL**

DATE : OCTOBER 10 , 2024

TIME : 11 .00AM

Convener

Sr. Prof. Vaishali Bambole
Head, Department of Physics
University of Mumbai
