Notice Regarding Eligibility Cases for Students

Students who have taken admission in CDOE under eligibility cases (i.e., students coming from universities other than the University of Mumbai, or from boards outside Maharashtra, or from technical boards) are hereby informed that, after the completion of the eligibility process and document submission, they should also check the eligibility confirmation process.

As per the new education policy and the CBCS pattern, if the eligibility confirmation process is not completed, the confirmation of admission will remain incomplete. In such cases, the marksheet for Semester VI (for undergraduate students) and Semester IV (for postgraduate students) will be withheld. The student will receive marksheets for all previous semesters, except for the last semester as their eligibility confirmation is pending. The result for the withheld semester will be kept in reserve until the eligibility confirmation process is completed.
