Notice

This notice is regarding the elective papers selected by students of M.Sc. Mathematics in academic year 2024-25 at CDOE, University of Mumbai. Initially, we had given the choice to the student for the elective paper. Out of which some papers are supposed to be run through our LMS from OER e-content. Since the LMS is currently not working, it is not possible to offer these courses online. SO, it has been decided to give only one elective for each semester.

In SEM I, there will be only one elective paper namely **Graph Theory**, instead of Linear & Non-Linear Programming and Graph theory.

In SEM II, there will be only one elective paper namely **Numerical Analysis**, instead of Algebraic Number Theory, Advanced Counting Techniques in Discrete Mathematics and Numerical Analysis.

Students are suggested to prepare for the examination accordingly.

Director, CDOE
