Dear Dr Aparna Phadke,

On behalf of the British Council and the members of the evaluation team, we extend our sincere appreciation for your response to the Climate Skills-Seeds for Transition India project call published on 17th September. After careful evaluation, we are pleased to inform you that your institution has been selected as one of the key partners to deliver the Climate Skills project in India. We are excited to move forward with your esteemed institution in this initiative.

For the programme from your institution, we anticipate participation from a minimum of 800 students between the ages of 18-30, who will engage in the training sessions. As we progress, we kindly request the following information to finalise onboarding:

Upon receiving the line-item budget breakdown, our team will review it and follow up accordingly. Once reviewed, we will share the grant agreement for your institution's review and signature. Please share the requested details by 30th October, end of day, to help facilitate a smooth onboarding process.
